Are you studying the Middle East?
Interested in Global Studies?
Thinking of studying abroad?

Come hear what visiting Middle Eastern Graduate Students have to say about their own cultures, American culture, and how university life here is different from in their homelands!

This year UCSB has been honored to host three Middle Eastern graduate students from Morocco, Turkey, and Pakistan. They have taught languages and taken courses during their stay. Come now and join us in a discussion of their impressions and insights after 8 months in the US.

For students who are interested in the Middle East, thinking of studying or traveling abroad, or studying Global Studies, this is a great opportunity to hear what Middle Eastern students think about OUR culture, as well as about theirs! Join us for an intercultural dialogue!

REFRESHMENTS WILL BE SERVED!!
